

# SRS ViVA 1 special R

## Special High Performance Low Friction Engine Oil

December 2013

### Characteristics

**SRS ViVA 1 special R** is a high performance low friction 5W-30 engine oil based on synthetic technology and innovative additives.

Excellent low temperature flow characteristics protect optimal the engine during the cold starting. Extreme loads and high temperatures are safely handled under all operating conditions. It ensures very high wear protection and lower friction losses. SRS ViVA 1 special R contributes through its high fuel economy and reduction of emissions to protect the environment.

### Application

**SRS ViVA 1 special R** is a top quality especially for use in passenger car diesel engines, where the Renault specification RN 0720 and the Mercedes-Benz specification MB 226.51 is required. It can also be used in gasoline and diesel engines where the manufacturer recommends ACEA C4 engine oils.

### Performance / Specification

- SAE Grade 5W-30
- ACEA C4

### Approvals / Recommendations

- Renault RN 0720
- MB 226.51

SRS ViVA 1 special R is a product of the H&R ChemPharm GmbH.

Typical Data	Test Method	SRS ViVA 1 special R
SAE Grade	SAE J 300	5W-30
Density at 15°C	DIN 51 757	0.851
Dyn. Viscosity at -30°C (CCS)	ASTM D 5293	5,990
Kin. Viscosity at 40°C	DIN EN ISO 3104	69
Kin. Viscosity at 100°C	DIN EN ISO 3104	12.1
Viscosity Index (VI)	DIN ISO 2909	174
Flash Point COC	DIN ISO 2592	232
Pour Point	DIN ISO 3016	-42
Total Base Number	DIN ISO 3771	7.1

The above values may vary within the commercial limits.

**Made in Germany**
